

Domestic Abuse
Voluntary and Third Sector Briefing
Tuesday 28th November 2023 - 1:30pm-3:00pm

Virtual briefing session held on Microsoft Teams

For our final voluntary sector briefing of 2023, we will be covering the topic of Domestic Abuse, to coincide with the international 16 Days of Action against Gender-Based Violence (25th November - 10th December 2023).

We will be joined by Lara Iggulden, from the Lincolnshire Domestic Abuse Partnership (LDAP), who will give an overview of the different types of domestic abuse and how it impacts those that experience it. You will also learn how to support those who disclose domestic abuse and what services are available locally and nationally.

Once you have registered, the briefing link will be emailed to you closer to the event. This briefing will be hosted online, via Microsoft Teams.
