

What is **Multiply**?

A fully funded UK Government programme designed for adults aged 19+ to help improve mathematics skills, available at no cost to you.

The programme is flexible and personal, offering both face-to-face and online training to fit around you.

What can **Multiply** do for me?

- You can gain the numeracy skills to help you in everyday situations and learn how to plan and budget better
- You can achieve a better understanding of things like interest rates, mortgages, loans, APR fees, debt management
- You can gain the skills to support younger people or children with homework
- You can improve your wellbeing and feel more confident with everyday tasks such as cooking, shopping, and timekeeping
- You can use what you learn to progress your career or to support further training and education opportunities

Become a **Lincolnshire Multiply Champion!**

Lincolnshire County Council is proud to offer the opportunity for community groups and local businesses (with five or more employees or volunteers) the chance to apply for a £1,000 grant and become a Lincolnshire Multiply Champion.

Champions will help promote and support numeracy development for employees or individuals in the local community.

How can a Lincolnshire Multiply Champion make use of the **£1,000 grant?**

- Understand, encourage and promote numeracy development within the workforce or local community
- Payment towards time invested in training for staff
- Create fun ways to support skills development e.g., provision of catering for lunchtime learning clubs
- Purchase a device or resources for learning

If your organisation recognises the importance of maths and how this relates to everyday life, why not find out more about becoming a Lincolnshire Multiply Champion today!
